

ARL EEO Advisory Representative: Karen Balecha

[Karen Balecha](#)

I am the Administrative Officer for Air Resources Laboratory, Special Operations and Research Division in Las Vegas, NV. I have been with ARL for about 8 years and previous to that with DOE and Pearl Harbor. I am originally from Oahu and moved to Nevada in 1991. When I was with DOE, I worked as a Paralegal and was an EEO Counselor as collateral duties.
