

## Climate Program Office EEO Advisory Representative: Diane Brown

### [Diane Brown](#)

My name is Diane S. Brown. I am the Grants Manager for the Climate Program Office. I have been employed with NOAA for over 9 years. I have 28 years of federal government experience. I enjoy working with people and spending time with my family. I have some prior experience with EEO in my last position at the National Institutes of Health (NIH). I attend EEO sponsored government conferences. I also attend the annual Blacks in Government (BIG) conferences.
